floor last year, and wound up voting for the measure. Okay we got no comment. So, I wanted this to be a matter of record. Okay. Turn Senator Goodrich on please.

SENATOR GOODRICH: Jim, didn't this get thoroughly discussed in the last couple of days and wasn't the action cancelled and you were supposed to withdraw this?

SENATOR DICKINSON: I called a member of the Omaha Board of Education two days ago, after no action had been taken in the past two weeks, and they had ample opportunity. Nothing had been done, after I offered this amendment two lobbyists that we have down here, and I have no criticism of them whatsoever, Dr. Geiger made a point to go back to the Omaha Board and met with part of them and they now have and I am told, and I accept that statement, agreed to back off and not use the power of condemnation.

SENATOR GOODRICH: Then it is your intention to withdraw this isn't it?

SENATOR DICKINSON: That is my intention. Thank you Mr. President, I wanted this to be a matter of record. It could very well be used if in fact they go ahead with condemnation proceedings in the future. I now ask unanimous consent to withdraw this amendment.

PRESIDENT: There is an objection. Do you want to make a motion to...no, it is his amendment and he can withdraw it without anybody's consent.

CLERK: Mr. President, the next motion is to return LB806 to Select File for a specific amendment and it is signed by Senator Cavanaugh.

PRESIDENT: Senator Cavanaugh.

SENATOR CAVANAUGH: This is basically a clean-up amendment relating to the effective date the emergency clause, and then the length of time that the State Mental Health Board will exist, we are changing it from six to nine months so that we will be back in session if they need more time. But, we want to put a definite date for them to expire, and we also want to make sure that the legislature is around to take care of the situation if it is necessary. I move the adoption of the amendment. I move the bill be returned.

PRESIDENT: That is the question. Record your vote. Have you voted? Have you all voted? It is 608, have you all voted? 806? Please vote. Record. Senator Cavanaugh. Do you want us to announce the vote?

SENATOR SAVAGE: I want a Call of the House, a Roll Call record vote and a print-out put on every Senator's desk.

PRESIDENT: Alright Senator Savage has moved that the House go under Call. Record your vote. Record.
